“ I love you grandma. Thank you for everything. Thank you for always being there for me and always opening your doors. I will forever cherish our moments visiting you blocks down the house as a teen and always having your amazing cooking. I miss you very much and I am happy that I got to see you before you left to Heaven to join the rest of our family up above. I love you so much and I will forever carry you in my heart along with grandpa and tio Jay. ☐🕊️
