August 14, 1960 - September 30, 2020

La Feria - Rosie E. Meza 60, of La Feria was born August 14, 1960 to Ricardo and Enedelia Salinas.

To all who knew Rosie, knew she was a fun loving and caring person full of life and adventure.

Rosie passed away in the early morning of September 30th she was the wife of Dario Meza; they shared 35 blissful years of marriage together this October. Rosa Esthela Meza, born in Nuevo Leon, Mexico was preceded in death by her mother Enedelia Montes De Salinas and her father Ricardo Salinas.

“ My condolences to the family. I remember I would baby sit her nieces when she'd go out with her sister. I remember she always had a smile. She was so excited when she met her husband, and very happy when she had her baby boy.

“ My deepest sympathy and prayers to the family. It was not too long ago as we were walking to work she offered one of her breakfast tacos. Enjoyed having conversations when I ran on to her at work or during market days.

“ Rose, Rosa, Rosie are all the names I would call you by. I still can't believe that I will no longer be able to call you any of those names. We spent countless hours talking about our day. I loved going into your office and just talking about anything and hearing all your stories and so did the students that would come to see you. I loved how much you loved my son and how you would always save candies or snacks for him. I miss you Rose My condolences to Dario, Adrian, the Meza family and Salinas family.

“ Mrs. Rosie Salinas Meza.....WOW, what a time we've had!! God so graciously blessed me with your acquaintance and friendship at Coakley Junior High in the 7th grade!! Needless to say, Coakley was never the same once we left there headed to high school. We have remained friends for all these many years and every time we saw each other, we would always find something funny that would make us laugh so hard that tears would be running down our faces, and, as we got older, would make us have to suddenly make a run for the bathroom.....LOL!! You never would allow me to take a picture of you, you always put your hands up and cover your face. I guess I finally wore you down over the years because this was the one and only picture you've ever allowed me to take of you and surprisingly, with you. Thank The Lord.....it was a clear and great picture. Mi Amor, I will truly miss seeing your face, hearing your laughter and your "No Hombre" comeback to every question I asked you. Our get togethers that we have when I come down to the valley every year will never be the same without you, Ms. Rosario!! I look forward to seeing you again and know that your presence in Heaven has everybody up there in stitches from laughing so hard. I will continue to pray for peace and God's loving arms of protection around your Husband, Son and your entire family and friends!! Trust that God's got them, Rosie, so you can be at rest in His glorious presence!! Love ya the Mostest, Girlfriend!!

Blessings Always & Forever,
