“ I am so very sorry for your loss and I am praying for you all during this most difficult time. Abel was my boss for several years and he was the most honest, dedicated, fair person I have ever worked for. To this day he is still my most favorite person I had the pleasure to work with. He had the BEST sense of humor, he was just so funny and made work a positive place to go every day. He was incredibly generous towards his staff. He inspired us each day to be positive and optimistic and to work hard just by virtue of his own attitude. He would tell us each month that if we turned in the monthly stats with no mistakes he would take us to lunch; somehow he always managed to find an error (still not sure how he managed that) and he always took us to lunch anyway. He proudly displayed pictures of his family in his office and it was obvious how much his family meant to him. He was a special man to so many people. RIP Abel you will be dearly missed!!
