“ hello , most of yall probably don't know me (heard of me) but i am Abel's oldest daughter (19 years old) i wasn't as close to my father as to how my step siblings were but from the times that i would see him were always amazing to making fun of him whenever his cowboys would lose to playing imessage games with him while i was at school (we would play whenever i was bored in class lol i always would win of course) to him calling me funny nicknames,he would always make an effort to make me smile or laugh which i will always be thankful for ! i know at times he couldn't be there physically to support me for all my middle school/high school events such as singing at football games /choir uil performances/my soccer games or even my graduations i always knew he was there in spirit .he was an amazing father to me whenever he was in my life i am forever thankful for him being an amazing father to my step siblings and for loving them for me whenever i couldn't . To my siblings, i will forever love yall and will always be here for yall ! even though i may not be there physically for yall i will always be there with you in your hearts ! i am so proud of each of yall I am so sorry for not being there to comfort yall ! To my Aunts and Uncles thank you for everything that yall did for me whenever yall would see me i am forever grateful for yall To my Two aunts who would make efforts to communicate with me I Forever love and appreciate yall so much :(thank you for making me feel like i'm still apart of the family! and for making efforts to check up on me i love yalll i am deeply am sorry for your loss im always one text message away i will always be here for yall ! To my grandma , granny i love and miss you so much :(i miss making fun of your cowboys ,texting you about how bad they would do just know im always a text away and i am so sorry for your loss mima ! Now lastly to my second mom , Thank you for welcoming me with open arms,thank you for always loving me and being super supportive of me i will forever cherish our little moments together i am absolutely grateful to have been your first “little “ girl i am deeply am sorry for your loss i will always be here for you and the kids i love each and one of yall from the bottom of my hearts!

xoxo -Ariisa .
