“ I am Mary Ellen garrett. Oldest daughter of Agnes. She lived three streets from us since 1985 and she knew she could always count on Dale (my husband) if she needed anything morning or nite. We will miss her dearly and feel comfort knowing she is at peace. We love you and you will be with us forever.

“ My name is Wesley, one of Granny's son-in-laws. I am married to her youngest daughter Betty. Granny was always the person you could call when you needed help. She would set at the house when repair work was being done, be with you when you were sick, and get you food. I learned along time ago that you did not argue with Granny. There was the right way- wrong way- Granny's way. Granny was always right. Granny was a pistol. Granny was a great mother-in-law and I am proud and thankful to be a member of the Sojak family ( sister-in-laws Mary and Shirley). God Bless you Granny for everything and may you rest in peace and we will see you again. Love you Granny, Wesley

“ I am the youngest of Granny's daughters, Betty. My mother was very strong willed and independent. She enjoyed doing yard work and having a lot of potted plants. I remember her Saturday's were spent getting her hair done and then shopping at the dollar stores. I never understood how she could spend so much time in these stores but now I do ( the apple did not fall far from the tree). Granny will be dearly missed but Jesus just got another Angel. Love Ya Granny.....

“ Agnes was loved by the Ken Eilers family. She was sweet with a bit of a feisty nature which is what made her so special. She babysat our children a couple of times along with her Vogel grandchildren. She could handle all 5 with no problem and they all loved her. We will miss her, but can take comfort knowing she is resting in the arms of her Savior, Jesus Christ.
