“ *Art and Helen Decker have lit a candle in memory of Ray. On behalf of Helen his sister and Art his brother in law we know Ray is in a better place now with his lord and savior Jesus Christ. Ray suffered for many years with chronic kidney disease all the while hoping for a kidney transplant. Unfortunately it was not meant to be. He did not ask for much in this life and we are sure he will be rewarded in the next. Rest in peace Ray.*

*Your loving sister Helen and brother in law Art Decker*

“ My brother Ray, as family and friends new him is now in peace with our Lord!  
My heart and soul cries for him, but I know he is in a better place. He endured many years with renal failure, but always fought the battle. Until it was time to be with Our Lord.  
I love you sweet brother, Ray!
