Memories

I thought of you with love today but that is nothing new. I thought about you yesterday and days before that too. I think of you, in silence I often speak your name, all I have are memories and your picture in a frame. Your memory is my keepsake with which I'll never part. God has you in his keeping, I have you in my heart. No farewell words were spoken no time to say goodbye, you were gone before we knew it and only God knows why. If love could have saved you, you would have lived forever. God grant me the serenity to accept the things I cannot change, courage to change the things I can, and the wisdom to know the difference. Amen.

I will always miss his phone calls in the morning and late in the evening.

With lots of love always your dad Antonio Gonzalez.

This is a beautiful picture of the two of them. I hardly ever saw them smiling together. My dad is truly missed. Thank you for adding such a beautiful picture.

“*Albert was my step-brother. I met Albert when we were in our early twenties. We had a lot of fun in the old days. The last couple of years we would phone monthly to see how things were going and to reminisce and laugh about events that happened almost forty years ago. I'm going to miss those phone calls. I'm going to miss Albert. Rest in peace bro.*

“ Albert was my oldest sons father. We couldn't make it as husband and wife but we had turned into best phone friends all these years later. It will be adjustment with the phone not ringing. Rest In Paradise Albert. You will be missed.

“ Dad as Uncle Tony puts it, was a legend in his own mind. Those of you who knew him well can understand that. Dad was always kind and giving in his own way. At this point the only thing I truly regret is getting to know him and see him more. He will forever be in my heart. A constant reminder of a wonderful man, loving brother and son, and caring father. You will be missed dad!

“ *Cousin Eloy Ramirez told me the day of the funeral about how when he turned 18 he went to spend a week with Albert and he only had one bed and Albert said you're my guest you get the bed I take the couch. Made him feel special and must have touched his heart for Eloy to remember.*

“ *Albert has become an Angel of God, and is in heaven. His no longer subject to human desires and wants. The Angels of God are immortal, no longer subject to human wants, passions, failings, or temptations; they serve God perfectly without weariness or distraction; they have no conflict between flesh and spirit, between the old nature and the new.*
Albert often spoke about this release for his ailing body, giving the impression that there was a better place.God is indeed the source of everything we need and His intent is always for good. Proverbs 8:17, "God loves those who love him, and those who seek Him find Him." I know Albert loves God, and surrendered his will to God's yoke.
