“ My heart is hurting as I contemplate the loss of my dear & loving uncle...he was always a strong & powerful force...always ready to defend his kids & family. He made us laugh & cry with his stories & songs...he was a true troubadour...he was a champion, a hero, a king, a legend, but most of all he was a dear family member & friend & he will never be forgotten. His memory will always live on...

I was there the night of this picture. Your uncle was a great man with a lot of love for his family. Although I only had the pleasure to meet him once he was full of life and wisdom. May he rest in peace. My sincere condolences to his family and loved ones.

My thoughts and prayers go out to Mr. Alejandro Martinez and the many loved ones that will carry on his warrior spirit.

I was fortunate to meet Tio Alejandro because of my great friend and hermano Jose Rodriguez.

Jose has always had a bright light and warrior spirit that no doubt came from the strong men that influenced his life growing up in Texas. It was that light that attracted everyone who met Tio Alejandro to admire and respect him, just like in Jose's case.

Although your Tio is not with us today, his warrior spirit lives in each of the lives he touched, including mine.... Gracias Tio and gracias hermano for keeping the fire lit that will be passed down for generations to come.

May God's strength bless you during this time.

Hermanos hasta el fin,

El Gabe
