“ Al was my best friend and part of my family for over 40 years. His acts of kindness and love were endless. I'm filled with gratitude for having him in my world as long as I did. We went through the best of times and the worst together. Without him and his wisdom I will be lost. He was a remarkable man that spent his life helping others. A rare person, a real one of a kind. He always put others needs in front of himself and his health. He was funny, wise and complicated. And stubborn! Rest in peace my dearest friend. Life will never be the same without you in it. I love you deeply my friend and will miss our morning and middle of the night long talks. I will miss you showing up hours and days late but you always came. You were always there. There aren't enough words to say how much you meant to me. You are so sacred to me. Farewell until I see you again. Your words and memories will be with me until the end of time. I was so lucky to have had you. I love you Al. My friend, brother, confidant. Yes, I was SO very lucky.
