“ *Tio Benny was always very kind and generous to us the Atkinson's. He would go out of his way to include our family during special occasions. I have many fond memories of his hospitality and his engaging humor. I learned much from him. From how to participate in organized sports to cook fried chicken at his family restaurant on the weekends. He had a bigger than life personality and he loved us all. We will miss him dearly and our hope is that we will see him again along with my cousin Benny and all of our other dear family members. Our thoughts and prayers are with the rest of the family during this difficult time. We love you all!*
