“ *Memories of A Special Stepdad:
There are no words to express what you meant to me and my siblings, and our children who called you Papa. You were a wonderful stepdad who had such a beautiful soul and contagious laugh. We may have not been related by blood, but you loved us all as your own. We will forever treasure every memory we had and keep you close to our hearts as we miss you dearly. As promised, we will take care of our mommy, your better-half until you two lovebirds reunite again.*

“ *Bruce was and will always be the love of my Mom's life. He made her radiate and laugh again and they loved each other deeply. I saw such a beautiful transformation in my mom's life ever since they both got together. They were a beautiful match. I'm going to miss you Bruce. I'll always be so grateful for you being a part of my mom's life and ours.*
