“ My girl was always with a smile and a positive outlook on life no matter what curveball the universe threw her way. That is how I will always remember my girlfriend Christy Quintanilla. The last time I spoke with her she was reminiscing about one of her favorite Christmas (Greenfield in '90s) and she spoke highly of her children and how proud she was of them all. I am going to miss my funny, good-natured, and non-judgmental girlfriend. She had so much love in her heart. Although I cry because I am going to miss her, I know she is in a better place. She was far too young to go, but I trust that our God knows what he is doing. I know she did too.

Rest In Peace and in love Christella. It breaks my heart that I can no longer pick up the phone to chat and laugh about life with you, but it comforts me that this not goodbye. It is an “Until I see you again.” Heaven gained an angel and I know you are with Connie, Roger and, Rogie. I will always love you and I will never forget you. 🙏❤️ You definitely left a mark on my heart forever. The pain of losing you is hard, but I am never going to forget you. I will keep your memory alive.

My heartfelt condolences to her immediate and extended family. This is a huge loss for all of us who loved her to infinity and beyond. She loved us all back unconditionally.

See you one day Christy!!! Love you!!! Norma Garcia Cervantes
