“ *Tio I love you so much. Thank you for giving me the most beautiful childhood memories. I will never forget that beautiful feeling waiting for you to arrive in your tiny white car with my snickers, and your huge coke mug.*

*Everything reminds me of you, your spicy flower seeds, the tarantulas, the finches, the beautiful bird houses you would make, the carving in our trees you would leave behind if we were not home. And so many beautiful memories that have always been and forever will stay in my heart. I LOVE YOU & WILL MISS YOU.
My condolences to Tia Peggy*
