“ I was privileged to know Mr. Navarrete In my early teen years. He was a great influence on me and served as a great example of what a Husband, Father and friend should be. Rest In Peace and we will see you soon. My condolences to his wife and daughters.

Gloria and Annette, I ah so sorry for the loss of your husband and father. You and Annette had such a close relationship and I hoped it would be that way with my kids. Good old Gay Junior High. You have to be a certain age to understand that phrase. I really didn't know Daniel, I just knew you two...and from what I observed you were lucky to have each other.

I pray that God will pull your family through this time of first death and then health disaster. God bless you and all your extended family.

It is strange how death brings people together who have not seen each other in years. Know that this note is written in love.
