

## David Hernandez

November 5, 1972 - March 28, 2016

David Hernandez, Harlingen, 43, closed his eyes one final time and went home to be with his father Monday morning March 28, 2016, he was surrounded in his last hours by his entire family.

His illness was sudden and his passing was much unexpected.

David is survived by his Mom, Aurora (Jose) Rivera, his Brothers: Joey (Marlen) Hernandez and Gilbert (Annie) Hernandez, his sister Cindy (Joe) Gutierrez, his "light" Monica Pena and his children; Pablo (Hannah) Garza, Brandy , Marcylyn , and Kayous Pena, Jeorgina , Aden and Anthony Anaya, His Grandchildren Zayden and Zarek Garza, He was a Great Father and Grandfather to these children and he will forever be in their hearts. David leaves behind his nieces, and nephews, Nick, Colton, Marky, Antonio, David, Anahia, Kelly, Kathy, Jacob, Vanessa, Priscilla, Joe, Jesse and David His Tias , Tios and what seems to be an endless number of cousins and friends.

David was preceded in death by his dad, Jose (Poncho) Hernandez, whom he loved with all his heart, today he is at peace because they are reunited once again.

However you met David, whether it was by blood, a marriage, relationship or just through a friend, you soon learned that he could lift your spirits even when you were feeling you're lowest. He had a good heart, always there to help out when needed. He was loved by so many people and he will be missed always.

Every now and then we meet someone who stands out in a crowd maybe we

notice their big smile, loud laugh or even their crazy dance steps but none the less our attention is captured and an ever lasting impression is placed in our heart and mind. If you have ever met someone like this, it probably was David; he had all of these qualities, I'm telling you this man could dance. His laughter and silliness will forever remain in our hearts.

David would not want us to mourn him; he would want us to remember him at his best!! Remember he is dancing in heaven; he no longer is in pain, his work here on Earth is done.

Visitation will be Thursday March 31, 2016 at Rudy Garza Funeral Home from 10 am till 7 pm with a prayer service being held from 7 pm to 9 pm. Burial of Ashes will follow Monday Morning, 11 am, April 4, 2016 at Ashland Cemetery. All arrangements are being in trusted to Rudy Garza Funeral Home, 1702 E Harrison Harlingen Texas. “ It is so hard to believe that I will not be seeing you here in this world anymore. I will truly miss your smile and his way of making all of us laugh always, I have known David since we were little when we would go to California we used to go visit all the time. Cuz I guess we have to accept that the only good thing of this terrible issue is that you are happy with your dad (Poncho). But us that we are here in this world are saddened with all this. God have you in his heavenly grace. Rest in peace.. Again you will be truly missed.  
Love you cuz,

Lynda Hernandez

“ ..man I've known him for over 20 yrs..he was the life of the party as I knew him. I ask myself why do the good people have to go. But he was so ready to be with his daddy. It makes my heart smile at how many people and family really loved him. He was one of a kind. One in a million. Now he's resting and no more suffering. Monica you are a true angel for being there for him and Poncho and for that we all thank you VERY much!!..you are family to us and don't ever ever hesitate to come to us for whatever..and also another wonderful memory that we have is he was always stealing our beer...lol...but we loved David so Ruben is like give him some we'll buy more if we need to. Well RIP David. We won't ever ever forget your beautiful face. And it's not goodbye.. It's we'll see you soon!!!!.....LOVE,

“ I have too many favorite memories with David, He was apart of my heart for over 25 years. He was a true light in our family. I will miss him, I got use to seeing him in the store, he would come in and just hang out, talking about his dad always!! He was just telling me about his new tattoo. He was so tired I guess, so weak and sick. He was being silly right up till the end... Showing me he was listening to me.. he had a bottle of water, I told him he better drink three!! I pray David is resting and I know those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. he is healed in heaven and he will be dancing always. you would think I would have run out of tears by now. I hear him thanking me for helping him with his dad, I was honored to be able to ease the pain they were all feeling. Love you David and we will never forget your smile

“ For as long as I can remember my Uncle David had lived in Texas as I lived in California. So many miles apart but still he loved me and my siblings for who we all were, his nieces and nephews He was always calling us and making us all laugh. In 2013 I was able to make my lovely way to Texas and with no plans of what i was going to do while there my Uncle David came to the rescue. He made sure that as long as I was there I was going to have fun. We didn't even have much in common but he still made a way to make sure I had fun along with his amazing girlfriend Monica. It was then that I grew connection with one of the worlds most loving and funniest men. It def is going to be hard knowing that he won't be calling us again. Although we may feel like it's a sad time because Tio David has gone too soon and we just want to express our feelings with tears which is totally fine but let's make sure we don't stay in that because I know Tio David would be looking at us and end up saying something to make us laugh or he would simply just start dancing. Love you so much Tio David. I hope your enjoying your time dancing away up there.

“ About 13yrs ago David came from Florida from work, and bought me a huge Mikey mouse towel it was white, and had Florida in the corner...well a few yrs after I lost it, for about 7-8 yrs now. Every time he saw me he would say wheres the towel I got you..lol I lost it when I was in the process of moving...I remember about 3-4yrs ago on easter the family got together at my dad's as usual. We were all playing volleyball, and of course me and David were on the same team. And me and him were kicking ass, so we thought it would be funny to sit in the middle of the game and start playing patty cake hahaaa. Everyone was getting mad kuz we weren't taking it serious lol...I remember feb11th o was having a bad morning, so I called him and said let's go drink at the cemetery w. Tio of course he was happy & said yes. I pick him up and we drink, and on the way home we take the back roads, and we see cows. He tells me pull over let's take a pik with the cows in the background and post on fb we going to San Antonio I saiddd okay so there I am on the side of the road lol taking piks . I'll missbu David I love you.

“ My best memory is when we stayed with David and Tio Poncho till we got our own place. We shared lots of laughs in those few weeks. His favorite story to tell me was when he was 15 years old changing my diapers. Love you David and miss u tons already.
