“ *The best memory of my dad is when I went up to see him with my daughter Kasey and it was the first time he meet her she was 11 months and he hold her and didn't want to put her down. Kept asking if he can keep her. That same time he also went to work came back and didn't shower we went straight to see the firework display and both my father and daughter slept thru it all Kasey laying on top of my dad and dad snoring. And yes the stories he would say I think they were pass down from my grandpa because I heard it from my uncle Jose Luis and from my dad about the huge fish they had caught.. Love you dad*
