“ Where do I begin, what can I say about Diamantina, she was my sister-in-law, a true friend and sister in Christ. I will always have her in my heart. I am going to miss her laughter and smiles. We talked on the phone for an hour talking about Jesus Christ, politics and family. We shared tears about things that we both cared about. Most of all sending each other sermons of prophets we both liked to hear. I am going to miss those calls we shared. When I needed prayer she was always ready to pray. She was my prayer warrior and I was hers. She always welcome us into her home and was very hospitable. I thank my heavenly Father for placing Diamantina into my life. There will be a void in my life where Diamantina used to be. I am going to miss her tremendously but I know we will see each other again in our heavenly home. I love you Tina, rejoice with angels praising God!

“ I have many memories since I was a little kid about Tina, I always liked to hear her happy screaming saying "hey Beli!" My grand mother used to call us "Las comadres" because we will spend hours talking about God. We never stopped calling each other over the phone even though I moved to NC. We will be calling each other almost every week and sometimes everyday! I liked to ask her to pray for me when I was going through hard times and talk about God's goodness and His miracles. I am happy for Tina because now she is enjoying God's presence, but at the same time I am deeply sad because Tina is leaving an empty space in my life that is going to be almost impossible to fill. Thank you father for the fellowship Tina and I had, it was joyful! And a great privilege! Tina, thank you sooo much for everything! I miss you already but I know that one day I will see you again! I love you! ❤️

“ Recently I asked Tina , “What is your favorite song?” She quickly replied , ”Goodness of God” by CeCe Winans!
You see, Tina considered God faithful all of her life! She thought God was so good!! She believed in the goodness of God!
We can honor her memory, by doing the same!

I am truly grateful for the life of this precious Woman . We met through a mutual Friend , Yrma Hernandez. Whom for some time now have had some health issues that have hindered her memory. So Tina would call me frequently to check on her long time Friend and pray for her and check up on all of us and our Families,. Always giving positive Godly advice and feed back . She will truly be missed ! And I am so looking forward to seeing her again when I get to go home some day . I just know she will be in the welcoming comity for all who she loved and cared for . My deepest condolences to Vashti and her Family To Whom Tina always spoke so highly of, and loved deeply! Sincerely : Shawna Keating
