“ My deepest condolences to my uncle and family (Escamilla Family) she will be deeply missed by family,friends she was a kind hearted cousin back in the late 80' early 90's we use to hang out talked about family and good times. She lifted me up when I was feeling down with her passion and loving heart there was times we even shade a tear or two. I wish I could have spent more time with her but as we grow older we seem to dirft away from family not know that they are the only ones that will always be there.
Diana now your in the hands and arms of the lord where there is no pain
We will meet again to you and your Mom my Aunt Connie one of the most kind hearted and generous aunt.

“ My dear friend. you are going to missed tremendously. I was remembering the times we would have our lunch breaks in your black Charger. Those were the days where we had not a care in the world. I'm glad we spoke not too long ago. Thank you for all that you did for me. Thank you for the memories. I will forever cherish them close to my heart. May God give your family the peace of mind that you are resting alongside of our maker. See ya later friend.
