I Dina was one of a kind and yes I was, a mother grandmother, sister and aunt. I was awesome to my family and everyone I knew, I was always kind, giving and always gave 100%. I was employed with Zavala Elementary School in Harlingen for 25 years. And let's not forget how I loved Elvis, maybe more than Rudy. I'm smiling now my beloved, Rudy, brothers, sisters, grandchildren, nephews and nieces. I'm at home in the heavenlies walking with Our Lord and Savior, Thank you God! This is what it's all about.
