“ *My belated condolences to the Reynolds family. I just learned of Doug's passing. I remember him so well from our high school days. Doug was always a great person to be around. He was a tremendous baseball player and an awesome teammate. Those attributes are something that do not change in life.*

“ Doug and my daddy worked at CO Air for many years together, even carpooling at times. Doug had a contagious smile and always joyful to be around. My parents always enjoyed anytime they would get to see Doug and Cindy. Sending our prayers and love to Cindy and family. I know my daddy was waiting at the gates of Heaven and welcomed Doug in.

“ I am Doug's older cousin and I was saddened to hear the news of his passing. As youngsters, we spent many summers together, playing on the beach. They were the best! In recent years, we reconnected on Facebook. Even in the face of all the physical adversities he faced, he was kind, loving and empathetic. He was a very special person and he will be missed.

“ I met Doug 30 years ago at Continental Airlines. From the very first day, he was kind, warm, genuine, and a hard worker. We cleaned planes together at first and then he would rise through the ranks and become a great supervisor. It was so easy to befriend Doug because he always had a warm smile and would lend a helping hand. Those of us who knew him will miss him greatly. ~REG
