“ *EJ,*

Knowing you celebrated your birthday with our Heavenly Father puts nothing but pure joy in my heart. The angels sing as you lead them with Hymns that shine so bright. Your love and your singing is missed here. This is a world of flesh and sin, the devil took you out of this world because he knew you'd bring exactly what Our Father wants us to bring to humanity, but Our King, Our Heavenly Father, God, took you home and away from his toxic world.

I love you, Hito,

Love, Tia Babs
