“ *This is my father. I am one of his many children. As you can see it's been a long time sense I've talked to my father. I've been slowly getting over my fathers death. Sense my father died, things have been changing.. Jazmin moved away for something. Elijah has been doing really good, although I haven't seen him. Their mother, is unknown from my view. Bell bell got into 4th grade dad! I got into 6th grade! Mom got herself a boyfriend, that she really really loves! Mimi got me a phone, and Mimi and Moy are really doing good! I hope you are doing amazing in heaven! I really miss you, all of us really miss you! I'm really sorry I can't write more, mom's gonna get mad and make me do extra chores sense I'm not asleep- Well thats all bye, love you dad!*
