“ As family, we knew Enrique Luebanos as "Coco" when he was a little boy. His mother Lucia was very close to her older sister, Cecilia, who is our mom. Ricky was always hanging around my brothers and we thought of him as our brother also. He had a genuine love of family and we shall always remember all the times we spent together. They were happy times. I shall always remember his laugh and smile. This is never goodbye; but see you later.

“ Connie, please accept my most Sincere Condolences to you and your Family. I do not know any of his children, but my Thoughts and Prayers are with them as well. Ricky and I go back at least 40 plus years, since you came into my Family when you were very young and married my brother, Crespin.
