“ *Even though we never met I feel like I have known her my whole life. She was my grandma and i will always think of her and love her and always wish to have met her. I knew her through my brothers Ronald and Christopher and also my auntie Susie! I love you all and wish i could be there in person to pay my respects but i am there in spirit. I love you grandma Hope and we will meet one day and when that day comes i will be the happiest granddaughter ever! Stay looking over the family and guide us on our journey. Until then may you be at peace. Love you always and forever your granddaughter Shannon Lee Wood.*
