“ I was sad to learn of Mrs. Gonzalez' passing. She was a wonderful lady, mother, wife and grandmother. Mrs. Gonzalez carried herself very well in the business world and frequently said that human relations skills were very important in any type of relationship - business or non business. This has stayed with me since I was 16 years old, working at The Fashion Complex in Harlingen, Texas. She was the store manager. My condolences to the Gonzalez family and may the good Lord keep you all in his tender care.

Sincerely,  
Richard Rocha

“ My beautiful Aunt Polly! We miss you already. Ricky, Robert, Ronnie and your families, I am so sorry for your loss. She was always good to me. Before she had you guys, I was hers, had me with her and took me places!

One of my favorite memories was sleeping over at your house on Lincoln (before any of you were here) and rolling off the couch, I was about 3, she came running to help and said I was dreaming, calling for my “pollitos”!!!! (Baby chicks) must have been close to Easter!!!

I last saw her this past February, and she was as beautiful as ever, Her and Mom were sharing memories and laughing.... it was a good visit! Love to all, your cousin, Pita
