“ My grandmother was a wonderful amazingly beautiful woman. She was the most caring, amazing, perfect person I had ever met. She raised me from a baby to the young lady I am now. She was like no other. A wonderful woman of god. She always provided for us. She always put family first. She was my mother my whole life when I didn't have one. It was so hard to see her pass. Being the closest to her made it even more impossible to let her go. Even till now I still can't. Because it's still so hard. All I can say was, grandmother, your a beautiful angel now, and I hope your having fun up there with your family. Say hi to them for me.:(I will love you always and forever, there's not a day that goes by that I don't think about you.

“ My husband Ram Coto worked with Mary and he always had conversations with me about her, how nice of a person she was, and how dedicated she was to her work.. I did not know her well but with what he told me about her, she seemed like a caring person, always providing for her family. My sympathy goes out to all her family and to Little Thomas who we knew she loved very much.
