“ Tomorrow will be a year you have been gone, and my heart still aches like if it was yesterday. I miss you so much, I miss watching movies with you, I miss your hugs. I love and miss you so much. Eric is doing great, he is still spoiled as ever. He still remembers and misses you so much. I had to stop taking him to your house cause he would get depressed when he couldn't find you. But just know, he is well taken care of and loved very much.

“ *The measure of Fernando, was that of a Gentle Giant. To know him was a multitude of kindness, humor, humility, gratitude, gracefulness and oh what a Heart of Gold he had. If anyone deserves to be called Friend, he was the poster boy and all that it entails. He loved his family, smell of BBQ definitely showed. I will miss talking with my friendly neighbor of 21 years and his joking laughter. May you rest in eternal peace my Friend 🙏*
