“ *She was such a kind and loving soul. I remember visiting every summer and how sweet she was to me. My thoughts go out to my cousins for their loss. She will most certainly be missed but thank God that we will see her again some day.*

“ Thanks for the wonderful memories, grandma. You paved the way for us all. Our pictures show glimpses of what we got to share with you and those moments were so precious. I’m going to miss how contagious your laugh was, how you loved to be outside watering your plants, the way your perfume smelled before you went to church, I’ll miss going to run errands with you and unplanned trips to random places around town. I’ll never forget your hands, holding my hands, when I was sad and needed comfort. There’s so many things I could list, but that’s ok...because I’m grateful for every minute we had you on this earth. God blessed us with a wonderful granny. I love you. This isn’t a goodbye, but a “I’ll see you soon.”

“ *Ma Rocha-  
You were the epitome of the words “Mother” and “Grandma”. You always made everyone feel welcome and special in Your house, and because of that, Your home was beaming with Love. I’ve always considered it an honor to be your son-in-law. I’ll miss hearing you laugh. I’ll miss seeing You at the Hidalgo Reunions. I’ll miss playing cards with You in Your kitchen. I’ll cherish all the memories I have of You. I’m so sad that You’re gone, but I’m relieved that You’re no longer in pain. And, I am so glad that You may now be with Your Heavenly Lord. I Love You, Ma Rocha.....Jerry Gilbert, Jr.*

“ Grandma, I will always remember the love you had for us, your puzzles, sweet tooth, love for pecans, game nights at the kitchen table with the family, laughing and joking, watching LMN, sharing your coffee while waiting for the school bus, and the fun we had while being in the 'program'. So many memories I couldn't fit them all here. What I'll miss most is talking to you.
