“ *I've never been a fan of menudo and it wasn't until I spent my first year married to Panchies daughter, Nancy, that I finally decided to try it.*

*Needless to say, it was so good—so good that I love eating menudo. Now I consider myself a menudo connoisseur. The only negative thing about eating Panchies menudo for the first time was that I got food poisoning for two weeks.*

*She was the best. Best mother, mother in law, grandmother, and all around person. The love she showed for her family was inspiring. I'm so grateful for all the love and attention she showed towards my children. She was my wife's best friend and we are all going to miss her.*
