“ Many whom knew my Uncle Panchito knew he had a love for dancing, radio's and music. He was a joy to be around and loved his family dearly especially my Grandma Alice whom was his caretaker after his mother's passing. Pancho was truly one of a kind and a character all on his own. My family is truly blessed to have had him all these years. He will be deeply missed but he will be walking on streets of gold. Heaven gained another Angel and a piece of our hearts! Te quiero mucho Pancho!! Te voy a extrañar!! No es un adios pero hasta luego te vuelvo ver!!
