“ Gordon & I grew up together at Mrs Daughtery's day care. We were among some of the older kids and were often given extra privileges the younger kids didn't get.

I remember when Gordon had chicken pox and had to stay in bed in the upstairs of Mrs Daughtery's beautiful house. I was permitted to go upstairs and keep Gordon entertained while he recovered. He was always a sweet guy and I remember him with fondness.

Our mom's were friends as well.. I've thought of you all over the years.. my deepest condolences and prayers for you all.
