“ My dearest friend. I met you at The Valley Arts & Craft club. We spent many years making all sorts of crafts. When the club disbanded we met at Angie Gutierrez' home to continue making crafts. I learned a lot and got many crochet patterns and cooking recipes from you. I also purchased many of the beautiful items you and your son made. My greatest memory is when we shared Jesus, the Bible scriptures and prayers. You were there lending support when we lost our son. Hma. Gloria, I will always love and never forget you. You were a blessing to me and my family. To me, you are family not only by sharing the name De Leon but family because of love. Thank you Hna. Gloria. Our deepest condolences to your family and friends. May you rest in peace until we meet again. I was unable to physically attend due to my poor health but I was there in spirit praying. Love Sarita & Joe De Leon and family.
