“ Me and my grandpa did alot together. I Remember alot. I remember on a video that I saw him holding me and saying that's papa's blue eye red. I would make cookies and muffins with him and take scooter rides in a wagon. I would talk to him if I was having a really bad day. He was always there for me. He saved my moms life and my sisters life. Even mine. My grandpa showed different things and how to live my life. When I went to college he sat me down and looked at me and said "No matter what happens Ashley, don't quit" and I didn't quit. I did my CNA and now I'm doing my CMA. My grandpa will be very missed. I love you papa and don't stop watching over me and my family.
