“ He was my friend, my confidante, my prayer warrior, he was my dad.....he was always there for me, any time ready to lend a shoulder to lean on, a sounding board, to offer advice, to share a laugh, to share the latest happenings.....it will be hard not to hear him exclaim.... Chavela! And at the end of our conversations Dios te bendiga and I would say igualmente Dad quidese. How he must be rejoicing on those streets of gold, healed and praising His Savior, I can only imagine his smile. No more tears, no more pain, you are home Dad, your reward...until we meet again...I miss you and love you....forever in my heart and grateful for our friendship. Dios lo bendiga y que descanse en paz, Dad.
