“ The love of a grandma is unique. God must have given grandmothers to us to liven up our lives, to make our lives more complete, to make us well rounded and better human beings. She played a big part in my childhood and I can remember so many times sitting in her kitchen, tasting the dishes, the fresh tortillas, she prepare with special love. She taught me a lot about love and the meaning of family.. She has never been just ‘my grandmother’, but my guardian, my friend and my inspiration.

Rest in Peace Abuela...we will never forget you and we will always love you forever...
