“ I remember going over to her house after high school with Yuri. She would always make us the most delicious meals and always made me feel welcome and loved. I grew up with such a different environment and coming over was always my favorite. She had a welcoming presence and such a warm smile. In many ways she was like a mom to me as well. She nurtured all of us and I was always so fond of her.

She had such a great sense of humor and the cutest laugh. I'm going to miss seeing her when I come over. She was an incredibly loving woman and the world won't be the same without her. I'm so thankful that I got to have her in a small part of my life. She taught me that kindness is so very powerful and that you can bring humor and lightness in most situations. She lived more than most and was extremely adored.

Sending all of you all my love at this most heartbreaking time. I will always remember her loving and peaceful demeanor. She was so very special.
