“ We are saddened to hear of our cousin Mike's passing. He and my dad Apolonio Palomo (Paul/Polo) were first cousins and best friends during childhood (my grandfather Isabel Palomo and Mike's mom were siblings). Over the years my dad would tell us of all of their adventures while growing up - so much fun they had as kids. As I just read this obituary to my father, he again recounted memories, lastly saying before we hung up the phone "he was my best friend".

To the family, although we didn't know him personally, we felt as if we did thru all the stories. My dad sends his condolences as well, and we all wish an extra portion of strength to the Flores family at this difficult time.

Sincerely and with love,

for Apolonio Palomo & extended family in California,
