“ *Mrs. Morrison, Priscilla and family,  
Please accept my deepest and most sincere condolences for the loss of our beloved Juan. I was utterly devastated and shocked when I learned about Juan's passing. I remember Juan fondly as a person who always strived to work hard to provide for his family and as I person one can truly admire for all his achievements and accomplishments. He always talked highly of his love for his wife, children, mother , and his family in general. May your memories of Juan and the love of your family surround you and give you all the strength and peace in the days ahead. May the perpetual light shine upon Juan for all eternity!*

*With love, Virna Carrillo*

“ *Death Journey*

*Death is a journey into another life ...*

*Death is like a mirror image into what you leave behind.*

*For when death comes to you ...*

*You leave family and friends ...*

*Only to enter and see family and friends on the other side.*

*I leave to continue on a long journey in a reverse image of what I leave behind.*

*Who is to say that I'm leaving you or am I waiting for you to journey back in time.*

*Death's Journey will be mine.*
