“ So sorry to hear about the loss of my best friend’s mother. I will never forget her calling for her daughter Melissa to come home and the neighbor’s parrots mimicking her. All the trouble me and my friend Melissa would get into and her scolding us. I was always going over to her house when I was a kid for tortillas and refried beans. I would also shout out “hi mom” when I saw her outside. RIP Mrs. C. you will be dearly missed.

“ My most sincere condolences 💔 to Melissa and Juan for your tremendous loss. My heart is broken not being able to be by your side at this difficult time. Know that I will keep you in prayer and I will truly miss her, whenever we saw each other I loved how we’d just pick up where we left off no matter how long it had been since we had last seen each other. She was a beautiful person inside and out and I will forever cherish her memory and keep her alive in my heart. Luv you guys.
