“ *She was a Blessing and a Gift. What she did for our autistic grandson has changed our lives. She was unique as it seems only she could reach him. He made such strides while she helped him. We also loved her very much as a person, we knew her for 5 years and we will miss her always. Her last words to me was this> ("Give him a hug from me and tell all will be okay, even if I go to be with God.....Love you, KimMarie")*
