“ I remember Luis from Davy Crocket elementary school in west Harlingen. I also remember taking the VTC bus from our Fair Park neighborhood to Gay Jr. High School. also we would take the same bus home from school . one day we started fighting towards the back of the bus , not actual fighting in that we never hit each other in the face, but the punches were real. mostly we hit each other on the chest or arms. The bus driver kicked us out of the bus and we had to walk from downtown Harlingen to our home near Fair Park. Fond memories from my youth. I miss all of my friends from those days!!!!
