“Daddy, every day that goes by... I miss you. The pain is different with each day. I'm learning to walk this life without you. I've now accepted that you're no longer hurting or suffering. I thank God for the years that I did have with you. I'll miss your voice, your silly catch phrases, your soft hugs, your corny jokes, and your gentle soul. There was no one on this earth, like you. God so eloquently crafted you, Rest In Peace, daddy. I'll love you forever. -Danice Melissa (LEAL) Serna.
