“ *Grandpa, I recall the day I first meet you it was freezing cold in Chicago and you just grab me in your arms with so much love. You looked into my eyes and said I've been looking for you for a long time. Wow, I can't believe how much you look like your mother " Mija" I giggled with laughter, I said no grandpa I look like my father. He said to me it doesn't matter you are still a part of me. We had wonderful memories together and I'll never forget you grandpa. I will always love you with all my heart. Love always Michi Cortez*
