“ *I can't find the perfect words to describe Margarita Ayala she was the most caring, lovely aunt I loved my tia Mague with all my heart I knew that when this day came it was going to hurt me the same as when I lost my mom her sister she always asked my cousin Licha if I was ok she always worried about me and for that I loved her so much I'm going to missed her dearly but it confots me that she's resting she was tired, but I can never forget her I stayed with so many wonderful and beautiful memories Rest in peace tia Mague 🙏💔*
