“ Hi abuela, I miss you so much. You were my favorite person in the entire world. There was never any judgement from you . You always had love for me. I remember our last conversation a few weeks before you died. You want to be with your son and now you are . Please watch over your family and guide us to make the right decisions. You will always be in my heart and soul. I hope you enter my dreams from time to time . You were truly my heart . Until we are together again I promise to do my best to make you proud . Thank you for always loving me and being there for me and welcoming my father every year he came to see you .
Rest with the Holy Father for now you are in his kingdom.
Your granddaughter ,
