KM

“ *Cuca you were a wonderful second mom to me. Thank you for always being so good to me, my kids, and grandkids. Tiffany loved you so much and is missing you dearly. I pray you are resting easy with Ralph and Grandma Louie... To the family, may you find peace and know she is in a much better place. JR, Ruben, & Rollie much love to yall and know she is watching over each of you now. Love, Kristin*
