“ Thank you for being there for me and hearing me out when I felt like no one else in this world was there for me. You were so kind and had such a beautiful heart.. In the short time I knew you, I had so much love and respect for you. You were so awesome & funny & I loved the moments we all shared together. You, Aliyyah, me, Gianni & Iris. I loved how you would be there for Iris and sing for her in your room. She loved you & Gianni too. I'm gonna miss you so much & the laughter and joy we shared. I thank God for having placed you in my life when he did. Thanks for all the kind moments you showed me & the advice you gave me. You were such an amazing friend to me. Rest peacefully Melanie. “ My heart is broken hearing about your loss, Mel. God knew he needed another angel in Heaven. Your sister, Monica is my best friend and being her best friend I became friends with you and your siblings and Mom. I pray that God has welcomed you to His wonderful kingdom in Heaven. You long longer suffer the pain that this earth gives us. The battles that we hold on to are now gone and we are in peace that you went to heaven. I will watch over Monica for you. I send you my love and peace, Mel. It was a blessing to have a bonus little sister/friend from watching you be a young girl into the woman you were. We will keep your memories alive for Gianni to know.

*Philippians 1:3*

*Heavenly Father, thank You for the wonderful people you placed in my life and for the memories of loved ones that are no longer with us. Amen*
