“ Miguel and I worked together at OSS, it was there where I learned what type of man Miguel was, and that was a hard worker, dedicated father, and a great friend. My sincere condolences to his family and friends, fly high brother.

“ Since little kids your smile has never changed, the way you walked never changed either. Walking the halls of middle school and court yard to the bus stop on the way home, listening to SPM on your grey Sony CD player. Thanks for all the times you made me laugh, you'll be missed by many. May you spread your wings and fly high now and RIP with your dad 🕊️
