

Norma Fernandez

August 27, 1977 - October 3, 2021

Norma “Paty” Patricia G. Fernandez was born on August 27th, 1977 in Monterrey, Nuevo Leon. A charismatic soul that was never seen without a smile on her face when surrounded by the ones she loved. Any obstacle that stood in her way was overcome by the strength of God, children, family, and her own will. She illuminated each and every room with her presence as the ray of sunshine she was. Her angelical voice filled the halls with elegance and bewilderment. She would awaken the vividness and color to every party and reunion she attended. Those who had the privilege to meet her would agree that her personality alone would be enough to impact their day and life. Norma was a beautiful, hard-working woman; Most of all an extraordinary mother to Kayla Janelle Fernandez, Luis Gregorio Fernandez Jr., Leo Xavier Fernandez, and Nelly Berenice Lopez. A selfless and loyal wife to Luis G. Fernandez Sr. A loving, compassionate daughter to Maria Rojas de Gracia and Hipolito Gracia Cantu†. An amazing, caring sister to Maria Margarita Gracia, Jose Luis Gracia, Yanet Guadalupe Lopez, and Hipolito Gracia. And a strong, spirited aunt to various nieces and nephews and their children. She passed in Harlingen, Tx on Oct. 3rd, 2021. And even though she might not be seen, she will forever live on in the many hearts that she touched. Visitation will be held on Thursday, October 7, 2021, from noon to 8:00 p.m. and a rosary to be recited at 6:00 p.m. Funeral services will be conducted on Friday, October 8, 2021. Cualquier obstáculo que se interpusiera en su camino fue superado por la fuerza de Dios, sus hijos, la familia, y su propia voluntad. “ *My sincerest condolences to the family. May God's promise of eternal life bring you peace.*

🌻 *Sunflowers* 🌻

Hold on to all our memories, and hold on to God's promise even more

Although you're full of sorrow, remember your bloom is soon in store

*The petals that I leave behind, are the trail to my heart
Know that you are with me, even though we are apart*

*For the family that I leave behind, & friendships that I made
Are a reflection of the love so strong- one that does not fade*

*Your happiness and new memories are with me too , and make my spirit sing
I know God will help you through it all, with blessings you in each and everything*

*The fields of sunflowers will grow , like my family - the seeds that I have sown
Please know that each and everyday, in joys and sorrows- you do not walk alone*

*Through those I love, my seed shall grow and flourish from year to year
And every time you see a sunflower in bloom, you'll know that I am near*
