“ When we walk by faith and share the same spirit for some reason or another God puts people in our path that makes us smile. a few weeks ago the 2nd week of November I was feeling down and God whispered in my ear to go see Ofelia and Jean. It was no magical moment like in the movies, no special effects, It was a force that lead me to them. we got into conversation, laughed, joked and had such a good time that by the time i left her house I felt charged, happy and so uplifted that the heavy load and sadness was no longer there. You see, I was not privileged to have been in her life for many years, I was just someone passing by who God led me to them and for the little time I knew her I was blessed Immensely. She had a positive attitude towards life and definitely Jesus was reflected in her. for those of you who are daughters, sons, grandchildren I ask for Gods Grace to be with you for I do not know the pain or imagine it and can not say that "time" will heal it, but I do say that God gives grace to "learn" to live with it. My prayers are with all of you. Jean I love you in Christ. I consider myself blessed to have met your sweet mom as you are a pure reflection of her as well. blessings to all.
